

Primary PE and Sport Premium Funding 2019-2020

The government announced that it is providing additional funding of £150 million per annum for academic years 2013 - 2020 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school head teachers. The money must be used to improve the provision of P.E. and school sport.

P.E. and school sport continue to play a very important part in the life of South Rise Primary School. We believe that P.E. and school sport contribute to the holistic development of our children and through participation, our children build and learn more about our key values such as respect, unity, co-operation and kindness for themselves and others.

The government has announced that it is to continue with this funding for the foreseeable future.

South Rise Primary School believes physical education is an essential and integral part of a child's educational development. The core components of the curriculum centre on movement, key skills and social interaction. We believe that physical education should teach students to recognise the diversity of individual ability whilst helping them to understand that participation in sport is just as important as gaining success from it. Our aim is to encourage a 'Growth Mindset' amongst our pupils. We want them to strive for excellence and to make the most of their sporting abilities. But we also recognise the importance of teaching the young people in our care how to win AND lose, how to show correct sportsmanship and how to demonstrate respectful conduct and fair play.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	75%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	68%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	25%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No Additional Lessons are planned for year 6 children in the summer term to provide accurate percentage of children meeting requirements
